

# Franklin Twp Youth Soccer

**Season**

Fall 20\_\_ to Spring 20\_\_

## Sponsorship Program

To whom it may concern,

On behalf of the Franklin Twp Youth Soccer Association, we are asking if you would like to take part in donating to our organization. We are currently working on a few soccer complex improvements. Some of our improvements include the installation of a deceleration lane, a new snack stand, and field improvements.

We estimate that today there are 275-500 kids passionate in playing soccer in our community. We feel that this drive should be supported by a safe, sanctioned environment for these kids to practice and develop skills that will help change their lives. We, at Franklin Twp Soccer, have taken up this cause on behalf of our children, but we need your help.

There are many community leaders and businessmen on our committee board, as well as local volunteers helping to run this association. Our community is excited and eager to see our dream project succeed. You too can be part of this goal by supporting us with a donation. Your generous donation will be publicly acknowledged. We feel that your business will also benefit from community goodwill generated by your kind donation. Listed below are our sponsorship packages:
