<u>5/19 - 5/24</u>		Antonelli	Link	Marsh	Staffieri	X	X
<u>5/26 - 5/31</u>		Winkler	King	Myers	BonVechio	X	X

Lining them every week will ensure that we do not lose the lines. If you think the lines are stil bright, just run over them with a single can in the machine. Setting a schedule makes it fair for EVERYONE. Try to get in the cycle of lining the fields towards the end of the week. Get your team parents involved! You do not always have to be the ones doing all of the work.

I tried to give everyone an equal amount of times lining. We have less teams this Spring, so it was difficult to space teams out as in the Fall. Please make sure you check the field line status EVEN if you have an away game that week. Boys teams & girls playing on Sundays, make sure you get the lines painted before Saturday so those teams have the fields ready to go.
